> comments_questions: Stand up for the Rule of Law! This settlement by the
DOJ is
> a travesty, and a perversion of the anti-trust laws of this Country and
this St
> ate. Rewarding a predatory monopolist for it's continued and ongoing
breaking of
> the law will dishonor the legal system. Take a look at Windows XP and
.Net!
>
> With this settlement the cancer that is Microsoft will metastasize into
control
> of the Internet as well as the desktop.
